TACTICAL EMERGENCY CASUALTY CARE TECC 2.0

San Marino 2-3 june 2025

REGISTRATION BY 10 MAY

**The course is intended for health care personnel,
law enforcement, and firefighters/civil**

**Aim of the course: to standardise the approach to the in-
jured person by the various figures intervening in uncon-
ventional events or situations.**

**In the TECC Course, life-saving techniques and strategies,
derived from the TCCC protocol, are used to provide the best
system of care in a tactical civil context following maxi emer-
gencies).**

For registration: contact the CEMEC secretariat
