

Vorpa KPO

Plastic clip for fixing metric insulation pipes

products group

KPO
plastic clip

Suitable for
• nylon plug Ø6

To fix
• metric insulation pipes
• cable

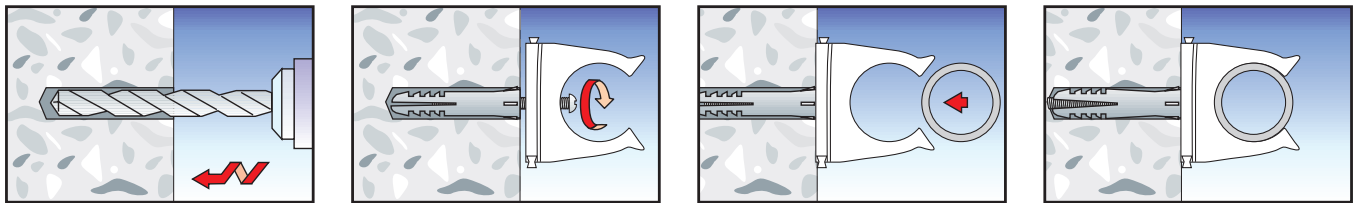

product information

Characteristics

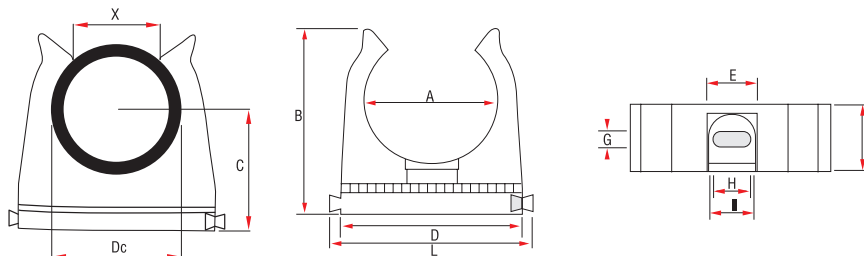

- plastic clip for fixing or protecting rigid, metric insulating pipes in electrical installations, on vertical or horizontal surfaces (from Ø 16 to 50 mm)
- can be installed with a light-weight anchor
- rounded shape to facilitate pipe accommodation, elongated hole for adjusting wall fixings
- side hook for connecting other pipe clamps in series, guide for laying in raceways

- cables: Ø mini 16 - Ø maxi 50
- raw Material: Polypropylen
- burning properties: according to IEC 60695-2-12 (GWFI): 650°C
- colour: Grey, RAL 7035
- installation temperature: -5°C / +35°C
- working temperature: -30°C / +55°C

installation sequence e technical data

Clean the hole before the installation
