USEFUL INFORMATIONS

All campsites have their own rules, which the customers are asked to observe. You can obtain details of these at the campsite reception upon request. In low season some facilities might not be available or may be limited because of maintenance work or, in the case of swimming pools, because of the weather. We kindly ask you to understand that these situations cannot be attributed either to Happy Camp or to the campsite.

The information written in this catalogue is updated on the print date. Future possible variations will be available on our web site at any time.

Upon arrival our assistant will ask you for a deposit of €100 to be paid in cash.

Customers are asked to leave the accommodation clean and as you find it. A deduction from your deposit for final cleaning will be taken if your accommodation is not clean when you leave: € 40 for Happy Classic, Happy Standard, Happy Standard Extra, Happy Comfort and Happy Maxi Tent; € 50 for Happy Plus, Happy Premium and Happy Premium Suite. Happy Camp staff is usually not able to offer a final cleaning service.

All Happy Camp campsites provide entertainment in high season (July and August) with sports activities, mini clubs, evening shows, and entertainment for both adults and children. In low season some campsites provide a reduced entertainment programme. In some campsites the entertainment activities might be available at an extra cost.

Even if some campsites allow access to animals, they are not always allowed in all Happy Camp mobile homes on that campsite. Some campsites do allow guests to bring dogs under specified rules and conditions (see page 104). You are kindly asked to find the right solution for your dog.

Camping involves living in a natural environment and it is therefore possible that you will come across one or two of God's small creatures. Please beware of leaving food uncovered both inside and outside the accommodation.

On many of our campsites, customers are required to pay a daily tourist tax per person, which needs to be paid directly at the campsite reception.

For security reasons, on some campsites it is compulsory to wear an identification bracelet at all times during your stay.

DOGS RULES

DOGS ARE ONLY ALLOWED ON CERTAIN HAPPY CAMP CAMPSITES AND THESE ARE INDICATED WITH THIS LOGO 🐕, AND IN CERTAIN TYPES OF ACCOMMODATION; ACCOMMODATION IS LIMITED AND THERE IS A MAXIMUM OF 1 DOG PER UNIT.

Upon booking, clients must state that they will be bringing a dog. Written confirmation will be sent by Happy Camp to those clients who book a dog into our mobile homes. This confirmation is required at check-in at the Happy Camp reception. Any client arriving with a dog who cannot present the written confirmation, will not be admitted into our accommodation.

Only small and medium-sized dogs are allowed. All dogs must have a passport and, in order to be identified, must have an electronic microchip. They must travel along with their European health book or passport, and this must state the dates of the latest rabies vaccine (in accordance with the country of destination's Laws and Rules).

Inside the campsites, dogs must be kept on a leash and with their owner at all times. The owner is responsible for cleaning up their dog's excrement and must make sure that the dog does not disturb other guests. It is the owner's duty to ensure that the hygiene rules set by the campsite are adhered to at all times during their stay. Inside the mobile home, dogs are not permitted on the beds or the banquettes; they cannot be bathed inside the mobile home, but only in the specific areas indicated by the campsite. Dogs cannot be left alone inside or outside the accommodation, nor inside the car.

Since every campsite has its own rules, we kindly ask you to inform yourselves with them and to respect them.

Do not forget the necessary items for your dog: toys and food, all the accessories for your dog's meal (bowls for food and water), the dog bed, the bags for collecting the excrement and the leash.

- The additional price per day for a dog is €5 in the following campsites: Butterfly Camping Village, Marina Julia Camping Village, Jesolo Mare Camping Village, Vigna sul Mar Camping Village, International Riccione Camping Village, Camping Village Norcenni Girasole Club, Camping Village Park Albatros, Real Village Roma, Stork Camping Village, Centro Turistico San Nicola, Camping Village Internazionale Manacore, Camping La Masseria, Camping Bella Sardinia, Solaris Camping Beach Resort, Karda Beach Camping & Bungalows, Camping Castell Montgri, Camping Terme Catez, Camping Bella Austria, Camping Belvedere.
- The additional price per day for a dog is €12 in the following campsites: Camping Free Beach, Camping Village L'Ultima Spiaggia, Camping Bijela Uvala, Domaine La Yole Camping Lodge.

You will have to pay a deposit of €120 upon arrival, from which we will keep €20 for compulsory extra cleaning after your departure. In the other campsites/accommodation dogs are not allowed even if the campsite itself accepts pets.
