TEST, CHOICES AND FUTURE

Surely among our guests there are eighteen year olds afflicted by questions about the future, including, the main one: which degree course to choose? Of course now is the time for holidays and it is right to remarry your mind without too much assault, but certainly among the obstacles that disturb the tranquility there are the notorious tests, especially those of the degree courses in medicine and architecture. The students who enrolled in these tests are this year 83,127, and will not change anything about the composition of the tests: 60 questions in 100 minutes. There are news, however, regarding the places available, which taking data from Ansa.it, have increased in all four degree courses considered, namely Medicine, Dentistry, Veterinary and Architecture. Surely a nice challenge for the aspirants, one of the first exams along the way of training, even if this obstacle is only the first, since, to quote the title of a comedy by Eduardo "The exams never end".

Horoscope, what the stars say

Today's sign is the **TAURUS**. The complicated situation in which you find yourself makes you jittery, with the temptation to give up everything. Keep up, the summit is close.

TODAY, IN HISTORY

77 years ago, the Jeep was produced, the first motorized four-wheel drive vehicle that, according to the advertisements of the time, was able to do everything, also because it was almost an amphibian. It was the first of August 1941.

**Patitari,
The sweet ionian
taste**

Salento IGT, takes its name from the noble and ancient descendants of Patitari. Family with illustrious men of letters and weapons among its family members. Primitivo in purity aged in oak barrels. Intense ruby red, warm and aromatic scent, full flavor. It encloses the whole Mediterranean area; it is cultivated in the homonymous Patitari estate inside the Camping La Masseria. A lovely red but with a character that suffers from the beneficial influence of the Ionian Sea.

RECIPE OF TODAY

Orecchiette with sausage and hot cheese

(da velocissimo.it)

Ingredients: 500gr of orecchiette, 300g of pork sausage, 1kg of tomato sauce, a red onion, bay leaves, grated hot cheese, salt, pepper, white wine and extra virgin olive oil Cantina Coppola

Cut the slices of sausage and take the meat. In a pot, cut the red onion into small pieces and brown it a little, then put the meat together with two bay leaves. Fry and then add a little of good wine and fade. Now add the tomato sauce, salt and pepper, cover and cook for about 30 minutes. Cook the ears al dente, drain and dress with the sausage sauce, leave to rest for a few minutes. Put some spicy cheese and a pinch of oregano if desired.

THE HINTERLAND OF GALLIPOLI #3 TUGLIE

Among the many typical peasant villages of Salento and near Gallipoli, Tuglie is a pleasant example. It seems almost a two-story town, considering the hilly village of Montegrappa of which we spoke a few days ago. The country, however, is the lower part, and is surrounded by the countryside meticulously cultivated by its farmers. To see there are many things, including the church of the Annunciation, that of St. Joseph and Our Lady of Mount Carmel. In addition to churches, ubiquitous in all countries of Salento, here there are two museums very interesting: the radio and the peasant civilization, the true essence of this territory, quiet and unspoiled, where the noise of big cities fortunately has not yet arrived.

EVENTS

> Tonight in **Taurisano** in Villa Circolare Giotto the **feast of the Pasticciotto**, a dessert now famous all over the world and good every hour. You will find not only the sweet but also other typical products of Salento, so you can taste everything, sweet and savory, "pittule, frisce and pasticciotti".

> Tonight begins in **Leverano** one of the most famous beer festivals in Italy: the **Beer & Sound**. For almost a week this small town becomes the capital of beer and music, at the market area. Today we start with the South Sound systems.

> From today and for 4 days **Lecce** becomes the home of pizza, with the **Pizza Village** set up in Piazza Mazzini. Between music and tastings, evening with flavors and music.
