ANDREA MIRÒ DIRECTOR OF THE "NOTTE DELLA TARANTA" ORCHESTRA 2018

Something start to leak about the 2018 edition of the night of the taranta, one of the events of the Salento summer that has brought the rhythm of tambourines around the world, making almost everyone dance. The Notte della Taranta foundation, which will hold the press conference tomorrow in Rome, has announced that the orchestra will be conducted by the Italian singer-songwriter Andrea Mirò, former conductor for 5 years of the orchestra of the Sanremo Festival. This year it will be up to her to combine the past and the present, the tradition of the pizzica with the contemporary musical genres, creating that mix that is the basis of the success of the event

Horoscope, what the stars say

Today's sign is the **ARIES**. At this stage there is no lack of arguments and confrontation, but avoid sterile discussions when you try to make certain situations clear in love.

TODAY, IN HISTORY

Carlo Pedersoli, better known as Bud Spencer, was an actor but before that he was an excellent swimmer. Today is the second anniversary of his death. Famous for his films along with terence hill, with the proverbial and cinematic cask.

**Patitari,
The sweet ionian
taste**

Salento IGT, takes its name from the noble and ancient descendants of Patitari. Family with illustrious men of letters and weapons among its family members. Primitivo in purity aged in oak barrels. Intense ruby red, warm and aromatic scent, full flavor. It encloses the whole Mediterranean area; it is cultivated in the homonymous Patitari estate inside the Camping La Masseria. A lovely red but with a character that suffers from the beneficial influence of the Ionian Sea.

RECIPE OF TODAY

Pasta with aubergines

(da velocissimo.it)

Ingredients: 2 medium sized aubergines, 400gr of striped feathers, 300gr of tomato sauce, 50gr of pecorino cheese, salt, oil, red onion, basil.

Cut the eggplants, sprinkle them with salt and put them in a colander so that they become less loved. Then fry in abundant extra virgin olive oil. Prepare the sauce, if you have fresh tomatoes is even better. I recommend when it is possible to always use the red onion, as it is more delicate. Don't forget the salt and basil. Now let's cook the pasta, season it with the sauce we have prepared, with basil and pecorino cheese. Slices of eggplant are placed on each portion.

THE BEACH OF "PURITÀ"

Symbol of the old city and favorite place of residents and not only for bathing, the beach of purity. Named after the church located above, it is a bay that has always made people talk about itself. Located in the old town, it is an example of the sea under house, and that's how it has been viewed for years from the city, as the beach at home. Not only beach however, since on the right there is also a cliff, for all those who prefer the rocks to the sand. Until the middle of the last century the beach was complemented by wooden pilings, the dressing rooms where you can change and then go directly into the water. These were called "Cambarini", and remain in the collective imagination a nostalgic element, of a past that now lives only in memory.
