## A FEAST BETWEEN FAITH AND “TARANTOLATI”

Our tour of the patron saint's festivals in Salento stops today in Galatina, where from today and for three days will take place the celebrations in honor of Saints Patron Peter and Paul. Colorful illuminations, fascinating and secular rites and the flavors of the festival are the usual and essential frame of the festival. It is said that both Apostles passed through Galatina: Peter resting during the journey that brought him to Rome (the rock on which he remarried is preserved in the current church dedicated to it). Paul's story, on the other hand, is linked to his being a healer. To thank those who housed him, the Saint gave him the power to heal the bite of tarantulae, an animal once widespread and dangerous ... (continues inside)

## TODAY, IN HISTORY

### *Horoscope, what the stars say*

Today's sign for Paolo Fox is **SCORPION**. These days are quite animated, add greater doses of caution to everything you do and pay attention to the discussions, not always negative but nevertheless delicate.

104 years ago in Sarajevo there was the attack on the heir to the throne of the Austro-Hungarian Empire, Archduke Franz Ferdinand, by Gavrilo Princip. The event went down in history as the detonator of the First World War.

**NEGROAMARO  
WHITE, TASTE  
AND ELEGANCE**

The Rocci di Cantina Coppola, the first white Negroamaro ever, was born in 2006 from the intuition of Carlo Antonio Coppola and the oenologist Giuseppe Pizzolante Leuzzi, convinced that the peculiar organoleptic characteristics of Negroamaro could also give the white wine a structure of great impact. The first vintages were bottled as Table Wine, because no DOC and IGT contemplated the vinification of Negroamaro in white. Subsequently, the name of Igt Puglia was obtained. Today among our most appreciated wine.

## RECIPE OF TODAY

### Amaretto biscuits

(da velocissimo.it)

**Ingredients: 1kg of almonds, 1kg of sugar, 6 eggs, 2/3 lemons, 1 cinnamon cue;**

Chop the almonds without skinning them and add them to the grated lemons (only the yellow part of the peel), the ground cinnamon and the sugar. Then add the eggs and knead with a little flour. Forge meatballs that are not too large; in the meantime, grease a baking dish with oil and dust it with another flour; shape the amaretti into a dough by lightly crushing them and finally bake in a not too high oven for about half an hour.

## GALATINA, UMBELICULUS OF SALENTO

The last descendants of that "lucky" were the Farina sisters, who did not have children and decided to share this gift with everyone, making miraculous the water of a well, around which was built a building that would house tarantulae and tarantulae in the hope of healing from the bites of the animal attracting to that fonta. The interweaving of these two saints with the city of Galatina is also sanctioned by the presence of the keys of St. Peter on the coat of arms of the city. Galatina, however, as well as being a city full of buildings of artistic value, is also an important center of Salento, the third largest in number of inhabitants, with three districts: Noha, Collemeto and Santa Barbara... It houses a large exhibition centre where the National Galatina Fair takes place. Tomorrow we will talk about the symbolic church of this country: the church of St. Catherine.

### EVENTS

> Tonight in **Galatina** begins the three days in honor of the patron saints of the city Peter and Paul. It begins with the "**notte delle ronde**", popular music around the old town, without widespread stages, with spontaneous groups. Edoardo Zimba will also participate, starting at 22:00 in **St. Peter's Square**.

> Tomorrow in **Tricase**, the old town centre, the Abbot's square, the "**Fera de San Pietru e Poulu**", an ancient tradition recovered five years ago, to let young people discover music, but not only, which animated festivities and events of the past, to be recovered and valorized.
