## BRITISH DIVIDED AT THE WORLD CUP, WHY?

Why is there no UK national team in the World Cup? In football, as in rugby, the British participate divided, each with its own flag: England, Scotland, Wales and Northern Ireland. The reason for this is that at the time the various game regulations were drawn up, they were drawn up by the individual federations, which asked FIFA and the IRB (the homologous rugby body) to approve them. This guaranteed them autonomy, despite the formation of the United Kingdom. They do not always compete divided though. During the Olympics they all parade under the same flag as the United Kingdom, sanctioning, at least in this event, unity in the sign of Union Jack.

### *Horoscope, what the stars say*

Today's sign is the **BALANCE**. You are in a period that allows you to think about different changes to put into practice. Evaluate your choices well, even if changing doesn't hurt.

### TODAY, IN HISTORY

With the intention of providing the kingdom with a police force inspired by the French gendarmes, on July 13, 1814, Vittorio Emanuele I instituted the weapon of the Carabinieri, a name that derives from the weapon they had supplied: the carbine.

**THE “DOXI”  
HISTORICAL  
LABEL**

The most long-lived label of Cantina Coppola. It was one of the first wines to be bottled already in the 60s under the name of Doxi Vecchio. It takes its name from the noble family of the same name. The Doxis lived in a prestigious Baroque palace of 1700 in the historic centre of Gallipoli. Doxi Alezio DOC Rosso Riserva with 80% Negroamaro blend and 20% Black Malvasia, is cultivated in the Santo Stefano vineyard, with a spurred cordon back breeding system. The wine is aged in large oak barrels where it is aged for about two years. Ruby red color.

## RECIPE OF TODAY

### Mussels with eggs

(da velocissimo.it)

**Ingredients: 1 kg of mussels, 4/5 eggs, 200 g of breadcrumbs, 1 bunch of parsley, pepper.**

Wash the mussels well and open them over the fire, leaving them with the valves. In a bowl, beat the eggs and mix with the breadcrumbs, the chopped parsley and the pepper. Put the mixture obtained into the mussel shells and tie them together with a cotton thread. Place in a baking tin, soak with a well-liquid tomato sauce and cook for a few minutes in an oven that is already hot.

## SANTA CESAREA TERME

Another beautiful seaside resort in Salento is Santa Cesarea Terme, known for its crystal clear sea and spas. Situated on a slope, it was granted administrative autonomy by Ortelles in 1913. It has several hamlets including, the most characteristic, is the coastal resort of Porto Miggiano, where a small bay will allow you access to the sea. The thermal baths have been the engine of economic development, but not only. Since the discovery of the beneficial properties of the hydrosulphated waters present in various caves overlooking the Adriatic, the cream of the bourgeoisie of Salento decided to build villas for the summer, giving way to the tourist value of this territory. Since 2006 Santa Cesarea Terme has been included in the park costa Otranto - Santa Maria di Leuca - Bosco di Tricase. To visit: Villa Raffaella, Villa Sticchi, the church of the Sacred Heart and Porto Miggiano.

## EVENTS

> They return home to close their tour of the **Negramaro**, with a concert at the **Via del Mare stadium in Lecce**. The band from Salento, appreciated all over the world, is very loved by the people of Salento, and not because it is also from Salento. For info 892/101.

> Tonight we'll be leaving for **Vemole il Birra and Friands**, with the chance to taste many types of beer, local or otherwise. Until Sunday 15 . Obviously there will be good music, with Allabua, Cesare dell'Anna and Antonio Castrignano with his "Aria Caddhripulina".

> Discovering the **ancient village of Specchia**, with literature. This evening from 19:30 at the Palazzo Risolo, starts the **literary walk** in the historic center of Specchia, with many local authors and not.
