## TV SERIES, PASSION AND OBSESSION

Serial novels have existed for a long time, so many writers began their careers, publishing stories in newspapers. The progress of television has led to an exponential growth in the production of audio-visual material, although in recent times one of these products seems to take the lead over others thanks to online television platforms. The phenomenon in question is that of the series, which are now counted in thousands between web and TV. The stories that are told are so engaging that they often "force" to real marathons, day and night, to finish the series as soon as possible and know the end, and at the same time to start another. Among the series of the moment, according to [comsoon.it](http://comsoon.it), the most appreciated by the public is "The doctor", the story of an autistic boy who undertakes his medical career, broadcast in Italy on Rai1. We'll tell you more in the next issues, keep following us!

**THE “DOXI” HISTORICAL LABEL**

The most long-lived label of Cantina Coppola. It was one of the first wines to be bottled already in the 60s under the name of Doxi Vecchio. It takes its name from the noble family of the same name. The Doxis lived in a prestigious Baroque palace of 1700 in the historic centre of Gallipoli. Doxi Alezio DOC Rosso Riserva with 80% Negroamaro blend and 20% Black Malvasia, is cultivated in the Santo Stefano vineyard, with a spurred cordon back breeding system. The wine is aged in large oak barrels where it is aged for about two years. Ruby red color.

## RECIPE OF TODAY

### Baked aubergines

(da velocissimo.it)

**Ingredients:** 500 g of aubergines, 500 g of ripe tomatoes, parsley, salt, pepper, oregano, extra virgin olive oil Cantina Coppola

Cut the aubergines in half lengthwise, sprinkle with salt and let them drain in the sun. In a pan, put a layer of ripe tomatoes cut into pieces, salted and seasoned with oil. Now place the eggplants on top and put in a mixture of parsley, a little garlic, a little pepper and the ripe tomatoes cut into thin slices. Sprinkle with abundant oregano, season with oil and bake for 45 minutes at 180°.

## TORRE SAN GIOVANNI

Continuing along the coast of south of Gallipoli, you reach a very important place, albeit for different reasons, both in the past and in the present. Torre San Giovanni, marina of Ugento, in addition to being one of the landmarks of Salento tourism has been during the period of Roman occupation, a privileged place for the landing of military ships. The remains of Messapian walls found in the area suggest an even older origin. Over time, the site was abandoned because of the marshy environment, until the Fascist reclamations have not made the marina liveable, leading to the start of the flourishing tourist development. Definitely recommended a walk along the promenade, perhaps at sunset.

## EVENTS

> **Tonight in Salice Salentino begins the Festa del Vino Doc Salice Salentino**, two evenings dedicated to wine tasting, one of the most important of Salento. Not only tasting, however, but also folk music and charity, with the collaboration of the association "smile" that supports people with multiple sclerosis.

> In **Merine**, a hamlet of Lizzanello, there is the **"Sagra te lu ranu", the wheat festival**. Bread, peel and many bakery products are the protagonists, but there will also be meat and many traditional dishes, accompanied by music from Salento.

> One of the last stages of the **Salento Book Festival in Nardò**, in Piazza Salandra with Danilo Procaccianti and Giorgio Mottola with the book "Italy under investigation" and Chiara Francini with "My mother should not know" From 20:30
