Sunrise: 20:06

Sky: clear

Temperatures: 22°-29°

Nanni, Giuseppe, Annarita, Lucio, Paola, Niccolò, Lucia, Martina and Chiara offer a warm welcome and wish everyone a pleasant holiday.

TOMATOES IN THE KITCHEN, SINCE WHEN?

The mainstay of the Mediterranean diet, the tomato is used by everyone in the kitchen for sauce or for light and fresh dishes, ideal for summer. However, this has not always been the case. This vegetable was recognized as such only in 1893 by a ruling of the American Supreme Court, because before it was often consumed as a fruit, and not even always! Their use was sometimes opposed because they were thought to be poisonous: in fact, in the 18th century there were several cases of poisoning after having eaten tomatoes, but they were not to blame! The dishes used at that time contained a high concentration of lead, which was absorbed by the vegetable, causing the diner to be poisoned. The turning point will come with the discovery of pizza, which clears the use of tomatoes, starting to be the main food of our kitchens.

TODAY, IN HISTORY

Horoscope, what the stars say

Today's sign is **SCORPION**. Avoid discussions, at this stage you are very stressed out and some people will pull too hard. Dedicate yourself better to work.

It's been 277 years since the death of the famous Italian composer and musician Antonio Vivaldi. The author of "la quattro stagioni" died in Vienna at the age of sixty-three.

**PERLA DELLO
JONIO
DAILY TASTE**

"A meal without wine
is like a day without
sun".

Rediscover the taste and culture of wine as a food, with specific properties, to be consumed daily during meals as well as as a pleasure in itself or as a treat for connoisseurs. In addition to the satisfaction of drinking a good wine of great quality, there is also the satisfaction of paying a fair price. This is the daily wine! Excellent value for money and authentic taste, produced in full respect of the vineyard and the land without alterations. The Perla line has four labels. Primitive, Negroamaro, red and pink, and white.

RECIPE OF TODAY

Tomatoes in olive oil

(da Velocissimo.it)

Ingredients: 1kg of tomatoes, salt, chilli, basil, extra virgin olive oil Cantina Coppola

Choose some beautiful ripe and firm tomatoes, wash them and cut them in half, salt them well and put them in the sun. Turn them on both sides until they are dry. Then sprinkle with chilli pepper and keep covered with oil and fresh basil.

EVENTS

> in **Surano** the ideal feast for the greedy: the **feast of the Pasticciotto**. An evening completely dedicated to the King of Salento's confectionery. The classic shorterust pastry and cream, but many flavours have been experimented and combine old and new. The best pastry chefs of Salento, the association of Confartigianato are ready to make you taste this cake, just baked in the square and the streets of the historic center.

> Tonight in **Torre Lapillo** (Porto Cesareo) begins the **festival of fried fish**. The organizers of the Pro Loco will fry all the specialties at sea, with scents and flavors that are difficult to resist. In Via Torre from 20:00.

> In **Guagnano** the **cardinal grape festival**, typical cultivation of this territory, which reaches its 24th edition Not only wine but also typical dishes of the Salento tradition and music.

PUGLIA GOLOSA

Discovering apulian flavours

After four days of patron saintly celebration, with music, colors and flavors, Gallipoli is preparing to host a new event all focused on Mediterranean cuisine. This is "Puglia golosa", the three days with which guests and residents can discover the flavors of Puglia and its nutritional value. Food as an attractor, to make him known to appreciate and maybe, why not, also to seasonallyize, with the help of show cooking, food and wine tastings, meetings and art stands that will evoke each part of the region. In recent years, in fact, food and wine tourism has grown considerably, a sign of the greater attention that is given to food. The Mediterranean diet, is certainly one of the best, and it is no coincidence that the diet has been recognized as an intangible heritage of humanity. What better opportunities to get to know it?
