CANTINA COPPOLA 1489, THE BEATIFUL NEW WINERY IS OPEN

On sunday evening it was inaugurated the new place of *Cantina Coppola 1489*. A project started about three years ago to develop the wine tourism. It represents today a unique offer in the territory and welcoming customers, enthusiasts and wine lovers in a large, well-equipped and comfortable place. The complex, modern and innovative, is located in the heart of the La Masseria Camping Estate and it is surrounded by vineyards and woods. Inside people can enjoy a fascinating tour that starts from the *Bottaia*, goes on the terraces and in the art room and ends in the wine room and sales point where you can taste our wines. Next to the winery, there is the new restaurant *Vigneto del gusto*, always owned by our company and managed by the chef Franco Tornese. The menu offers two possibilities: tasting itineraries with wine and food pairing and menu a la carte.

The winery is open from Monday to Saturday from 9 to 13 and from 17 to 20.

The restaurant every day for dinner. Reservations: 3929506940

TODAY, IN HISTORY

Horoscope, what the stars say

Today's sign is the **TAURUS**. The desire of change is the protagonist in this period even if changing is never easy. Continue like this, continue to carry out your commitments with perseverance.

A special day for the Americans of the States who today celebrate their independence from the former English motherland, which took place 242 years ago, on July 4, 1776. On that day thirteen colonies formed the first nucleus of the United States of America.

**Patitari,
The sweet ionian
taste**

Salento IGT, takes its name from the noble and ancient descendants of Patitari. Family with illustrious men of letters and weapons among its family members. Primitivo in purity aged in oak barrels. Intense ruby red, warm and aromatic scent, full flavor. It encloses the whole Mediterranean area; it is cultivated in the homonymous Patitari estate inside the Camping La Masseria. A lovely red but with a character that suffers from the beneficial influence of the Ionian Sea.

RECIPE OF TODAY

Octopus salad (da velocissimo.it)

Ingredients: octopus, olive oil, parsley, lemon

Cook the octopus without adding water or salt, over low heat and with the lid. It is advisable to use small octopuses or already "beaten", as they use to do fishermen. If we notice that the water that comes out of their cooking over very low heat is not enough to make them cook we can add some. Once cooked let them cool down, then we can peel and season with an excellent extra virgin olive oil, lemon juice and chopped parsley. Serve cold.

THE CATHEDRAL OF GALLIPOLI #1

It is the main place of faith in Gallipoli, where centuries of history and art make even more fascinating the rituals and traditions that characterize the life of this land. Once in the historic centre, the visitor expects to find the main church on a square that gives it honour and instead, almost to take it by surprise, the cathedral of Sant'Agata shows its baroque façade on a small street, which forces you to look up with your neck. The reason is that the church is located on the highest point of the city. You can immediately notice the statues that fill the facade, determining the levels into which it can be divided and that distinguish the different decorations present, ranging from references to Doric columns of the lower part, built with the carparo and therefore less workable, the decorative elements in Lecce stone of the upper part, typically Baroque.

> The **Salento book festival** continues with a stage full of events in **Piazza Aldo Moro in Gallipoli**. Starting at 20 there will be several **presentations of books** with, in order: Sofia Viscardi, Raffaella Fanelli with the last testimony of the head of the band of the sweater, Pinucco with his trumpadvisor and appointment with Koinè and several readings in the square.

> The American singer **Curtis Harding** opens the **independent south-east SEI festival** at the castle of **Corigliano**. Info: www.seifestival.it
