HOTELS

Dear Guest,

The Management thanks you for your booking and welcomes you to our Hotel.

First of all, we would like to inform you that, in light of the Covid-19 pandemic, our hotel has taken all the necessary precautions to make sure that all our guests are safe in all areas of the hotel throughout their stay, in compliance with the WHO guidelines on accommodation facilities, as well as the Ministerial Decree of May 17, 2020 as amended.

In order to ensure maximum protection, our hotel has decided to follow the suggestion provided by the law and establish a check-in system prior to your arrival. For this purpose, you are kindly requested to send us a legible copy of your identity document, as well as that of all guests staying with you, to the email address **info.nautilus@lindberghhotels.it**

This way, we will be able to avoid gatherings at the reception desk, and you and all guests staying with you will be requested to undergo the measurement of your body temperature upon your arrival, in order to make sure that it does not exceed the 37.5° threshold, as well as to sign a declaration stating the absence of symptoms attributable to Covid-19. However, we inform you that unfortunately, in case you or one of the guests staying with you experience one of the symptoms or your temperature exceeds the established threshold, you will not be allowed to access and stay at our hotel.

For your knowledge, we also attach the privacy policy and data processing document hereto, which you are requested to share with any guests staying with you. We would like to point out that such document also refers to the possibility, subject to your express consent, of sending you information and advertising material on our hotel to your e-mail address through the marketing activity we carry out. If you wish to receive such e-mails, you can simply reply by writing:

"I the undersigned _____ consent to the processing of my personal data for marketing purposes by Lindbergh Hotels S.r.l. on this email address".

Please note that our personnel will be at your complete disposal for any further information throughout your stay.

Awaiting the abovementioned documentation.

Have a nice day.
