

## H5M Camera Line

2 MP 5 MP

### Outdoor Dome Camera

The Avigilon H5M camera provides a cost-effective solution for budget-conscious video security projects and is beneficial for sites that require a small footprint camera for outdoor use. The H5M camera can handle tough environmental conditions while offering advanced AI technology for faster response times and simple installation — all backed by a 5-year warranty.

#### Features

##### WEATHER & IMPACT RATED

IP66 weather rating and IK08 impact rating for vandal resistance

##### MADE TO TRUST

We are proud to be a company that manufactures high quality products which our global customers can rely on

##### 5-YEAR WARRANTY

Avigilon stands behind the quality of this product with a 5-year, industry-leading warranty

##### UMD TECHNOLOGY

Uses AI to continuously learn what typical activity in a scene looks like and then detect and flag unusual motion events for review

##### ONVIF® COMPLIANT

Built on an open platform to allow integration with other security solutions

##### LIGHTCATCHER™ TECHNOLOGY

Exceptional detail in areas with poor quality (or low) lighting

##### H.264 AND H.265 HDSM SMARTCODEC™ TECHNOLOGIES

Combines our newest compression technologies to enhance bandwidth and storage savings

##### WIDE DYNAMIC RANGE

Capture details in scenes with both very bright and dark areas
