

BOOKING IS NOT MANDATORY.

Most of the pitches are "without reservation" (in grey color of this map), which means they may not be booked.

The pitches "with reservation" are only in this map.

Reservation is possible only for the high season months (July and August) with a minimum of 3 nights.

The price is per night and not seasonal or monthly.

To BOOK a pitch, send us an email to info@campingdarna.com after viewing rates, indicating the period of booking, the number of people (also indicate how many adults and children), any dogs and type of means (camper van, caravan, tent).

We will get back to you as soon as possible.

Booking has a cost and also requires a deposit to be paid by bank transfer.

After booking, the assigned pitch may not be changed.

Upon arrival you will be requested to pay the full amount of the booked period.
